## About the Company

include website

GBH provides credible, facts-based distinctive local, national, and international news every day. From GBH News' state and local coverage to the wide-ranging investigative journalism of FRONTLINE to The World's global coverage, GBH delivers reporting that has earned an Academy Award and Peabody, Emmy, and duPont Awards. Named the most trusted media institution in our region, we work to earn your trust everyday.

GBH News produces local news, information, and conversation. Among the fastest growing local news providers in greater Boston, GBH News draws on the talent of a multi-platform newsroom that includes GBH 89.7, television, and digital reporting.

## About the Winternship

details and responsibilities

The Tufts wintern will shadow reporters in the field and producers in the newsroom and studio. The wintern will assist in researching and writing stories to be broadcast on 89.7FM and published on the GBH News website. The wintern may also do some audio reporting in the field, with the guidance of reporters and editors.
