About the Company

include website

Boston.com is a leading digital destination for information on all things Boston and beyond. The site provides comprehensive coverage of breaking news, topics of interest, things to do, sports and entertainment to millions of visitors each month. It also features a vibrant community of Boston-area readers it's constantly engaging through polls, surveys, interactive clubs and events. Boston.com is a division of Boston Globe Media Partners.

About the Winternship

details and responsibilities

Winterns will work with the general assignment news, community, and audience engagement staff. Duties will include reporting and writing news stories, engaging with readers via polls and surveys and compiling those results, and working on social media posts and projects. We'll also discuss career paths, types of jobs in the industry, goal setting, and individual resume reviews.
